Report on the Working of Municipalities in the North-West Frontier Province for the year 1939-40

Proceedings of the Government of the North-West Frontier Province (Development Departments), No. 31651-F. L./11/74-T. D., dated the 2nd October 1940.

1. The number of Municipal and Notified Area Committees in the Province was the same as last year. viz., seven Municipal and seven Notified Area Committees. (The Committees of Abbottabad and Bannu remained under suspension.) The number of members of Municipal Committees decreased from 58 during the year 1938-39 to 57 in the year under report. A member of the Mardan Municipal Committee resigned and his seat was left vacant by Government. Two members of the Haripur Municipal Committee were required by Government to vacate their seats, and their vacancies were filled by bye-elections. Two other members of the same Municipality were given warning and a member who was functioning as Honorary Secretary of the Committee was replaced by a paid Secretary. The affairs of this Committee have given great anxiety to Government in the past. Despite measures adopted for improvement, the administration of this Committee has gone from bad to worse and Government is now contemplating resort to the extreme measures of its supersession.

2. Lack of genuine public spirit and prevalance of communal, sectional and personal motives amongst members is still complained of by certain Deputy Commissioners. It is also noticed that members are generally not alive to their responsibilities with regard to encroachment on public property.

3. The working of the Notified Area Committees is reported to have been satisfactory. From the statement below the financial condition of the Committees

will be seen :—

Name of Notified area Committee	Opening balance on the 1st April 1939	Income	Total	Expenditure	Closing balance
	Rs.	Rs.	Rs.	Rs.	Rs.
1. Nowshera Kalan..	10,661	3,995	34,656	24,741	9,915
2. Baffa ..	3,597	7,782	11,379	7,853	3,526
3. Nawanshehr ..	5,564	9,053	14,617	10,674	3,943
4. Gallis ..	3,887	9,559	13,446	6,820	6,626
5. Lakki ..	29,574	14,692	44,266	21,783	22,483
6. Tank ..	3,972	55,221	59,193	55,370	3,823
7. Kulachi ..	5,589	17,040	22,629	16,676	5,953
Total ..	62,884	1,37,342	2,00,186	1,43,917	56,269

Their expenditure is nearly equal to or exceeds their income, the excess over income being met from the opening balance of the Committees. Mansehra town in the Hazara District was constituted a Notified Area Committee in April 1938, but owing to the postponement of elections in all local bodies, no Committee was formed during the year under report.

4. Owing to the proposed establishment of a joint electorate with reservation of seats for minorities in Local Bodies, Government decided to defer elections until further orders. The lives of Committees as their terms expired, were accordingly extended by a period of one year, or till the decision of the General Election question, whichever is earlier.

5. The total income of Municipal Committees was Rs. 17,06,703 as compared with Rs. 18,79,559 in the previous year. The variations occur under the follow-

ing heads :—

Heads	1938-39	1939-40	Variations
	Rs.	Rs.	Rs.
I. General Departments.	15,70,494	14,36,545	—1,33,949
II. Education ..	34,615	46,759	+12,144
III. Medical ..	89,113	44,454	—44,659
IV. Public Health ..	23,688	25,123	+1,435
V. Water Supply ..	51,849	70,566	+18,717
VI. Veterinary Department.	3,952	4,092	+140
VII. Municipal Works	72,114	40,788	—31,326
VIII. Suspense Account	33,734	38,376	+4,642
Total ..	18,79,559	17,06,703	—1,72,856

The net decrease in income occurs mainly under heads "I—General Departments", "III Medical" and "VII—Municipal Works". The fall under head "I—General Departments" is mainly due to the withdrawal of investments of Rs. 50,000 and Rs. 47,700 by the Peshawar and Dera Ismail Khan Municipal Committees respectively during the year 1938-39. The receipt of a loan of Rs. 50,000 from Government by the Hoti-Mardan Municipal Committee for the building of a Civil Hospital at Mardan during the last year accounts for the decrease under head 'III—Medical" while the fall in income under head "VII—Municipal Works" is attributed to the sale of fewer plots of land in the Peshawar City Extension Area.

6. The total expenditure during the year under report was Rs. 17,36,909 as against Rs. 19,29,725 in 1938-39. The variations occur under the following

heads :—

Heads		1938-39	1939-40	Variations
		Rs.	Rs.	Rs.
1. General Department	..	7,09,538	5,58,294	—1,51,244
2. Education	..	2,66,422	2,65,020	—1,402
3. Medical	..	3,30,863	3,37,463	+6,600
4. Public Health	..	3,32,861	3,38,914	+6,053
5. Water Supply	..	1,05,659	72,949	—32,710
6. Veterinary Department	..	14,607	11,844	—2,763
7. Municipal Works	..	1,17,609	1,12,175	—5,434
8 Suspense Accounts	..	46,123	37,859	—8,264
9. Unforseen Charges	..	6,043	2,391	—3,652
Total	..	19,29,725	17,36,909	—1,92,816

The net decrease of Rs. 1 51,244 under head "1—General Departments" occurs mainly in the Hoti-Mardan and Peshawar Municipalities and is due to the investment of a sum of Rs. 1,00,000 by the former and the payment by the latter Committee of Rs. 56,546 on account of arrears decreed against it in favour of the Electric Supply Company, during the preceding year. The decrease of about Rs. 32,700 under head "5—Water Supply" is mainly caused by the cost of canal water payable to Government by the Peshawar Municipal Committee having fallen from Rs. 39,640 in 1938-39 to Rs. 15,412 during 1939-40 owing to adjustment of excess payment made in the former year. The variations under other heads call for no remarks.

7. The percentages of total income spent by each Municipal Committee under the main heads are noted in

the subjoined table :—

Names of Municipal Committees		General Department	Education	Medical	Public Health	Public Safety	Veterinary Department	Municipal Works
1. Peshawar	..	30·6	10·4	16·3	23·3	6	·5	6·4
2. Hoti Mardan	..	28·4	11·8	36·6	14·0	·5	1·1	·01
3. Abbottabad	..	37·2	18·3	10·4	15·7	9·2	·15	2·4
4. Haripur	..	29·7	25·6	19·4	12·1	2·6	..	2·5
5. Kohat	..	26·8	19·6	24	19	5·8	1·3	5
6. Bannu	..	31·3	16·1	17·4	19·8	2·8	1	8·6
7. Dera Ismail Khan	..	46·3	16·8	18·5	18·4	1·1	·2	5·7

8. Incidence of taxation of per head of population of Municipal Committees is as under :—

Serial No.	Name of Municipality			Rs.	a.	p.
1	Peshawar	..	..	4	2	11
2	Hoti Mardan	..	..	4	12	3
3	Abbottabad	..	..	9	4	1
4	Haripur	..	..	3	9	1
5	Kohat			4	0	7
6	Bannu	..	..	5	5	11
7	Dera Ismail Khan	..	..	4	2	0

The incidence figure for Abbottabad is misleading as the figures quoted are based on figures of the last census 1931) which was conducted in the winter season when Abbottabad is empty.

9. The following schemes of public improvement were carried out during the year under report :—

(i) The Municipal Committee, Peshawar, found that its share of water supply from the Bara river

is inadequate to meet its requirements. Hence it agumented its resources of Water Supply by installation of 19 electric pumps, 39 hand pumps, 47 storage tanks and a tube well.

(ii) Transport and disposal of city refuse has been made more speedy and efficient in the Peshawar Municipality by the introduction of lorries and preumatic tyred carts at a cost of about Rs. 40,000.

(iii) In connection with the Peshawar City Extension Scheme the Municipality has so far spent Rs. 1,82,595 on various objects, e.g., cost of lands, drainage, roads, water supply, etc., and proposed to expend Rs. 50,000 more next year. Against this the total approximate income from sale of lands would amount to Rs. 3,87,006. Thus besides removing the congestion and lack of accommodation in the Peshawar City, the Committee would derive a net profit of Rs. 1,54,411.

(iv) The Municipal Committee, Hoti-Mardan, has paid the second instalment of Rs. 50,000 to the Public Works Department towards the construction of the New Civil Hospital, Mardan, during the current year.

(v) Free Primary Compulsory Education was introduced by the Peshawar Municipality, in consequence of which 6 new Municipal Board Schools for boys were opened.

(vi) Kohat Municipal Committee spent Rs. 4,147 on improvement of roads and paving of streets. The main bazzar road and two other roads leading to the Motor Stand were "Colassed".

(vii) The construction of a new building for the Hindi Gunter Girls' School, Bannu, at an estimated cost of Rs. 26,000 has been undertaken in the Bannu Municipality.

(viii) Practically all the existing roads within the Municipal limits of Bannu have been put in their proper shape and tarred and "Kacha" streets have been made "Pacca".

(ix) Two sites in the Bannu City have been cleared of their existing filth and converted into children and ladies playgrounds and parks.

(x) Tank Notified Area Committee metalled the road from Durand Gate to Mosque M. Ghulam Hussain at a cost of Rs. 1,400.

10. A comparatively short time has elapsed since the abolition of nomination of members of Municipal Committee and the elimination of the official element. It is still too early to judge whether these measures were premature or not. It could hardly be expected that a sudden removal of so much experience of Administration and knowledge as was furnished by the presence of the Deputy Commissioner and the Civil Surgeon on the Committee, would not be reflected in the work of the Committee. On the whole nominated members represented the best elements of society. It is unfortunate that they have not had an opportunity since nominated seats were abolished to stand for election. As might be expected, at the beginning of an experiment in democracy the kind of person elected has not always been of the best type. In Haripur in particular Members were elected who had not exhibited before election any of the qualities which one might look for in a person to whom the Administration of a town was to be entrusted. Much of the executive control is entrusted to the President of the Committee, who holds office for one year only after which it is possible for him to be re-elected. Many people think that the term of office should be extended. By the time a President has got the hang of the work, it is time for him to make room for someone else. This is difficult for the President and equally so for the staff who every year have to get used to the ways of a new President. But when all has been said, it must be admitted that a great deal of useful and unpaid work is done by Municipal Committees. Many of the defects which are pointed out by critics, are prevalent also in countries where democracy is of long standing. It is unfortunate that elected members are so sensitive to public opinion that they cannot bring themselves to increase taxation, though in most

Municipalities it is extremely light and there are many beneficial schemes held up for want of funds.

By order of the Governor,
North-West Frontier Province.
W. C. LEEPER,
Secretary to Government,
North-West Frontier Province,
